Re: Letter of Recommendation for Londy Bracale

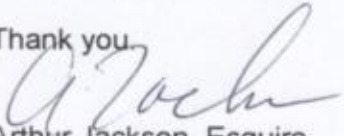

To Whom It May Concern:

Please be advised that I had the pleasure of instructing Londy Bracale in a graduate course in MGM 670 Ethical Decision Making. Londy was an active student participating in our weekly Live Chat sessions and all class assignments. He was an accomplished student who took his education and assignments very seriously. In addition, he is very involved in the universities activities, and is a student mentor.

Londy has demonstrated the ability to analyze class assignments, and ultimately succeeded in every assignment in the course to achieve an outstanding grade as a result. Londy is a highly motivated individual and is the type of rare individual who pursues excellence in everything that he sets his mind to focus and accomplish. It is my pleasure to provide this letter of recommendation with confidence for him based upon his stellar performance and commitment to his education, career and life success.

If I may be of additional assistance, please do not hesitate to call upon me, wherein I would be happy to address any other questions you may have regarding my experiences with Londy.

Thank you
